

## Nordic Fundraising Summit: Premium Sponsors

# Deloitte.

As a Danish firm in a global organisation, our position on the Danish audit and advisory services market is unique. Offering the market's most extensive and integrated range of services, we create success for our clients. We are particularly competent within Audit, Tax, Consulting and Financial Advisory. A large part of our clients have international relations. We have an efficient, international network that our clients can rely on, irrespective of where in the world their need for expertise and competent advisory services may arise.

## Nordic Fundraising Summit: Sponsors

RiskPoint is an underwriting agency focused on delivering value adding insurance solutions to professional and industrial clients and their advisors. Our offering includes an array of insurance solutions, including warranties and indemnity insurance and directors and officers liability insurance. Quality and service are two key factors for our clients and thereby core components of the RiskPoint business. We continue to strive for the highest degree of practical expertise and credibility within our chosen business segments while delivering bespoke and timely-delivered insurance solutions.

IK Investment Partners is a Pan-European private equity firm focused on investments in the Nordics, DACH region, France, and Benelux. Since 1989, IK has raised more than €9 billion of capital and invested in over 100 European companies. IK funds support companies with strong underlying potential, partnering with management teams and investors to create robust, well positioned businesses with excellent long-term prospects.

Preqin is the leading source of information for the alternative assets industry, providing award-winning data, insights and intelligence across the private equity, hedge fund, real estate, infrastructure, private debt and natural resources industries. More than 60,000 alternative assets professionals around the world rely on Preqin's services daily. Founded in 2003, Preqin operates from offices in New York, London, Singapore, San Francisco, Hong Kong, Guangzhou and Manila.

Vækstfonden – The Danish Growth Fund – is the Danish state's investment fund. We strive to improve access to risk capital to enable Danish businesses to innovate, and to generate growth and new jobs. In close collaboration with banks and domestic and international private investors, we finance companies from all sectors nation-wide. We can accompany you for the entire journey – from your company's infancy through growth phases to expansion abroad and even to an initial public offering.

Volvo has been in operation since 1927. Today, Volvo Cars is one of the most well-known and respected car brands in the world with sales of 571,577 cars in 2017 in about 100 countries. Volvo Cars has been under the ownership of the Zhejiang Geely Holding (Geely Holding) of China since 2010. It formed part of the Swedish Volvo Group until 1999, when the company was bought by Ford Motor Company of the US. In 2010, Volvo Cars was acquired by Geely Holding. In 2017, Volvo Cars employed on average approximately 38,000 (30,400) full-time employees. Volvo Cars head office, product development, marketing and administration functions are mainly located in Gothenburg, Sweden. Volvo Cars head office for China is located in Shanghai. The company's main car production plants are located in Gothenburg (Sweden), Ghent (Belgium), Chengdu, Daqing (China) and Charleston (USA), while engines are manufactured in Skövde (Sweden) and Zhangjiakou (China) and body components in Olofström (Sweden).

Autohuset Vestergaard is the largest Volvo dealer and service partner in Denmark with more than 35 years of experience. We are representing 12 car brands across our 11 affiliates where Volvo is our premium brand. It is our vision to own the leading position in Denmark as a supplier and service partner of transport solutions, based on customer satisfaction and profitability. With great passion for our work and high professionalism, we are always making an extra effort to accommodate your needs and, of course, at the same time give you a positive experience. That is what we at Autohuset Vestergaard understand as being customer-oriented and trustworthy.
